IMPORTANT INFORMATION

We all welcome the lifting of restrictions, and would like to thank you all those that have supported us through all the lockdowns and restrictions. We welcome lots of new guests too!

- *All tables must be pre-booked before arriving to guarantee a table. Unfortunately with the climate as it is and no shows that do and have occurred in the past, we will be taking card details over the phone to confirm the reservation. Please see our website for further details.
- *As we enter this new phase we support the policy of personal responsibility, so taking this in mind we will still encourage, but not enforce face mask wearing.
- *Seating at the bar will not return yet, this is to protect our team, however standing at the bar for service is allowed. This is to protect our team also.
 - *Hand sanitizers will still remain in place.
 - *Our team have been given the choice to wear mask, visors or nothing.
 - *Paper track and trace is removed but QR check in will remain, but not enforced.

*Dogs - The Crown is a wonderful 17th century Inn but we do have many small areas and pinch points, we will only allow dogs in if we you have pre-booked tables and only on a lead. Dogs are allowed outside the front of the building and we have very limited tables that we can accommodate. No dogs are allowed in the back of the Inn and in the gardens unless pre arranged before booking.

*Unfortunately we have reduced staff numbers your patience will be greatly appreciated at this time.

Thank you and look forward to seeing you all Richard, Jane & The Crown Team
